## ABOUT THE SPEAKER

Join us for a session on the Fulbright Scholar Program. Fulbright awards are available for teaching and research and can serve as a wonderful faculty development opportunity. There are over 400 unique opportunities available in over 135 countries awarded to over 800 scholars annually. The competition for 2023-24 awards is now open, so this is an ideal time for faculty to consider applying for an award.

The speaker [Alexa Alice Joubin](#) is a Fulbright Alumni Ambassador. She is Professor of English, Women's, Gender and Sexuality Studies, Theatre, International Affairs, and East Asian Languages and Literatures at George Washington University in Washington, D.C., where she serves as founding Co-director of the Digital Humanities Institute.
