

TOMODACHI MetLife Women's Leadership Program

Guest Speaker:

Alexa Alice Joubin

Monday March 21th, 7:00 PM EDT

TOMODACHI MetLife Women's Leadership Program was launched in 2013 in partnership with the TOMODACHI Initiative and MetLife Japan. It aims to develop the next generation of globally active women leaders. Over a ten-month period, the program provides highly motivated Japanese female university students with training sessions to hone their leadership skills.

This year's program is being held virtually in Tokyo, Osaka, Naha, and Sapporo.
